The policy will also clarify what is meant by a request for voluntary contributions.

1. Adoption

The schools Governing Body adopted this policy and the scale of charges set out below on the **20th June 2018**. These will be reviewed annually.

2. Policy Objectives

Hunslet Carr Primary School recognises the value of off-site Educational Visits to pupils as an enrichment to their studies, and to their personal and social development. Such visits can improve the pupils' affiliation to the school and help generate positive relationships with their teachers.

The school, in line with local recommendations will use EVOLVE as an online Risk Assessment tool.

EVOLVE visit notifications will, as a minimum, state

- the educational purpose of the visit,
- its aims and objectives and
- how it conforms to the school's curriculum aims.

EVOLVE will be used to provide assurance each visit is methodically and suitably planned.

Approval of visits will be outlined within the arrangements section of this policy.

Competencies required for the nominated Visit Leader and supervisors will be clearly defined.

Where the school uses external providers, each provider will be required to complete and return the External Provider Checklists, E2 and/or E3.

Risk assessments and procedures for managing risks will be in place for all risks that are reasonably foreseeable.

The timescales for the proposal, approval and departure of each visit will be included in the arrangements section of this policy in line with EVOLVE.

Suitable and sufficient information will be provided to parents/carers/guardians to enable them to make an informed decision as to whether their child should take part on the visit.

Children will be allowed to embark so long as they produce a consent form signed by their parent(s)/carer(s)/guardian(s) or verbal confirmation is given to the office staff who must write down the time, date and name of person confirming permission.

Every trip or visit will be subject to a review on EVOLVE.

At the start of each year, class teacher plan the educational visits they will make and the cost of each trip. The £500 goes towards subsidising the cost of these trips with the rest of the cost made up in voluntary parental contributions. These contributions are spread out equally across the number of children in the class and factors such as free school meals are not taking into account.

Contributions to the trips are voluntary but where 75% of parents do not make the voluntary contribution to the trip, the Headteacher can cancel the trip due to insufficient funds.
