Dear Parent or Carer,

I am writing for the second time this year to remind you of our school's vision.

High Expectations, Caring, Positive Attitudes and Successful.

We teach the children these qualities every day and remind them how important they are in lessons, at playtimes, dinnertimes and assemblies.

Unfortunately, over the last week there have been a number of incidents of parents and carers on our playground and on the phone to the office who are not following the vision.

Members of staff, who come to school to teach and help your children be the best they can be, have been shouted at, verbally abused and threatened by a small group of parents and carers.

I want to make it clear that we will not accept this.

The Deputy, Faye Pashby or I will speak to parents and carers who fall below the standards we expect.

If a Parent or Carer needs to be spoken to twice about their poor behaviour, we will work with Leeds City Council to not allow them to enter our playground or phone the school until they can show that their behaviour has improved and reflects our school ethos.

The vast majority of parents and carers, who bring their children every day, do so in a calm and friendly manner. We want to make sure school continues to be a happy, positive and safe place for our whole-school community. Thank you for your support.
