

Attendance Newsletter

Spring 2018

Punctuality

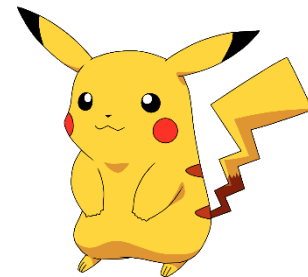

As you are now aware, from January, our register will close at 9:10am. Any child late after this time will receive an 'absent' mark.

Remember – school starts at 8:50am!!

Holidays

Please be reminded that school cannot authorise holidays during the term time. This is a local authority policy and parents are liable to a fine of £60 per parent per child.

If you believe that there are exceptional circumstances as to why you need to take your child out of school during term time, then you must ask for an 'Exceptional Circumstances' form from the office.

Attendance Themed Week

We will be having an attendance themed week beginning Monday 22nd January where you can discuss any questions you may have regarding attendance and meet Pikachu in the playground every morning.

Children will be entered into prize draws and will get a visit from Mrs Lilley, who will talk to them about how important excellent attendance and punctuality are.

The Best Attendance in the House!

Well done Ash Class with 97.1% for having the best attendance in school for last term!

Keep up the good work!

Attendance Parties

Oak, Willow and Beech class have all had a party after winning the attendance race three times.

Well done!

Attendance Flow Chart

As a school we have created a clear chart that explains our procedures for attendance. This shows exactly what parents can expect from us and what is required from our parents to ensure our continued success and the progress of your children.
