Happy...Year 3 New Year

Welcome back from the festive break – a new year means a new start! On the road to success the general rule is to always look ahead – so here’s to looking ahead to 2018 and lots of success in Year 3! This newsletter outlines some of the activities specific to **Year 3 this half term**. As always if you have any questions or comments during the year please don’t hesitate to speak to one of the adults working in Year 3;
Hazel class: Mrs Rush, Mrs Keech
Chestnut class: Mrs Standish, Mr Timmermans, Mrs Ahmed

Just a reminder. We expect all children to read for 10 minutes - 3 times a week.

Each Friday your child will be given **homework** to be handed back into school by Wednesday.

Spellings will now be taught 4 times a week in class. This means that no spelling homework will now be given out.

Don't forget:
Book bags please!
