

Areas to investigate

KS2 progress in 2017

- Progress in reading was significantly* below average and in the lowest 10%.

KS2 attainment

- In 2017, writing attainment of the expected standard was at or above national for the high prior attainment group.
- In 2017, mathematics attainment of the expected standard was at or above national for the low prior attainment group.
- Reading and mathematics attainment was in the bottom 20% for at least two years for all pupils.

KS1 attainment

- In 2017, writing attainment of the expected standard was at or above national for the disadvantaged group.

Absence and exclusions

- Overall absence in 2016/17 was high for all pupils (in the highest 10%).

*statistical significance based on a 95% confidence interval

The areas to investigate indicate meaningful trends and issues from the data. These are based upon cohorts of more than ten pupils. Progress trend sentences are based on at least six pupils in each year. Progress and attainment figures based upon ten or fewer pupils will be displayed in grey throughout the report. Please note some areas to investigate are based on data not contained in this report. The DfE announced in January, that a methodology change to the way key stage 2 progress is calculated for 2018 results will be made to better account for extreme scores, or 'outliers', and that this will change the progress scores of approximately 1% of pupils nationally (<https://www.gov.uk/government/publications/primary-school-accountability>). In the meantime, Ofsted has carried out initial modelling, and indicated where extreme scores occur based on the 2017 data. This has been indicated in the IDSR areas to investigate.

Phase of education: Primary
Headteacher: Martin Lumb
Pupils: 463
Gender: Mixed
Special needs provision:

Local authority: Leeds
Admissions policy: Not applicable
Ages: 3-11
Denomination: Does not apply

Schools details as of 3 January 2018

Ethnicity

This school has 11 of the 17 ethnic groups. Those with 5% or more are shown in the pie chart below.

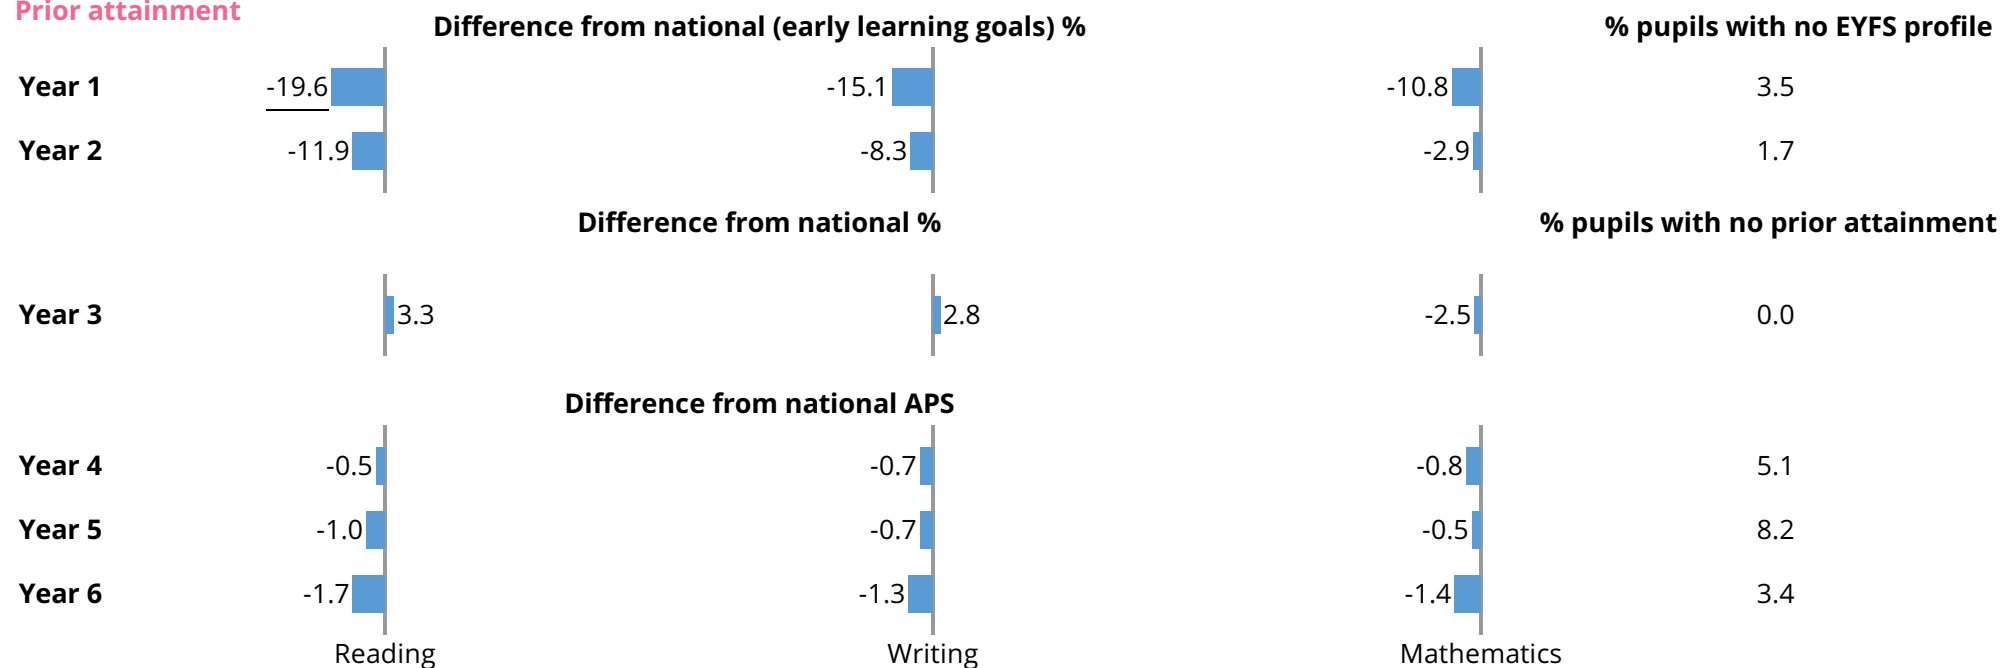

School level trends

Prior attainment

Underlined once: more than one standard deviation from national

Underlined twice: more than two standard deviations from national

This is historic data for pupils at January, for example current year 6 pupils will have been year 5 in 2017

Absence

% of sessions missed

	2015	2016	2017
School %	4.3	4.4	5.4
Nat %	4.0	4.0	4.0
Cohort	321	344	353

Persistent Absence

% of pupils who missed 10% or more sessions

	2016	2017
School %	10.2	13.0
Nat %	8.2	8.3
Cohort	344	353

■ School ■ ■ ■ National

All absence indicators are based on three terms of data for mainstream and special schools. Nationals are displayed as per the school phase of education. Special schools have been compared with the national for secondary schools. For boarding schools only day pupils are included.

Fixed term exclusions

% of pupils excluded

■ Total ■ Repeat ■ National

	2014		2015		2016	
School %	0.0	0.0	0.0	0.0	0.0	0.0
National %	0.5	0.2	0.5	0.2	0.6	0.3
Number	0	0	0	0	0	0

The national for fixed term exclusions is based on phase of education, such as primary or secondary.

Permanent exclusions

= 1 pupil

Nat

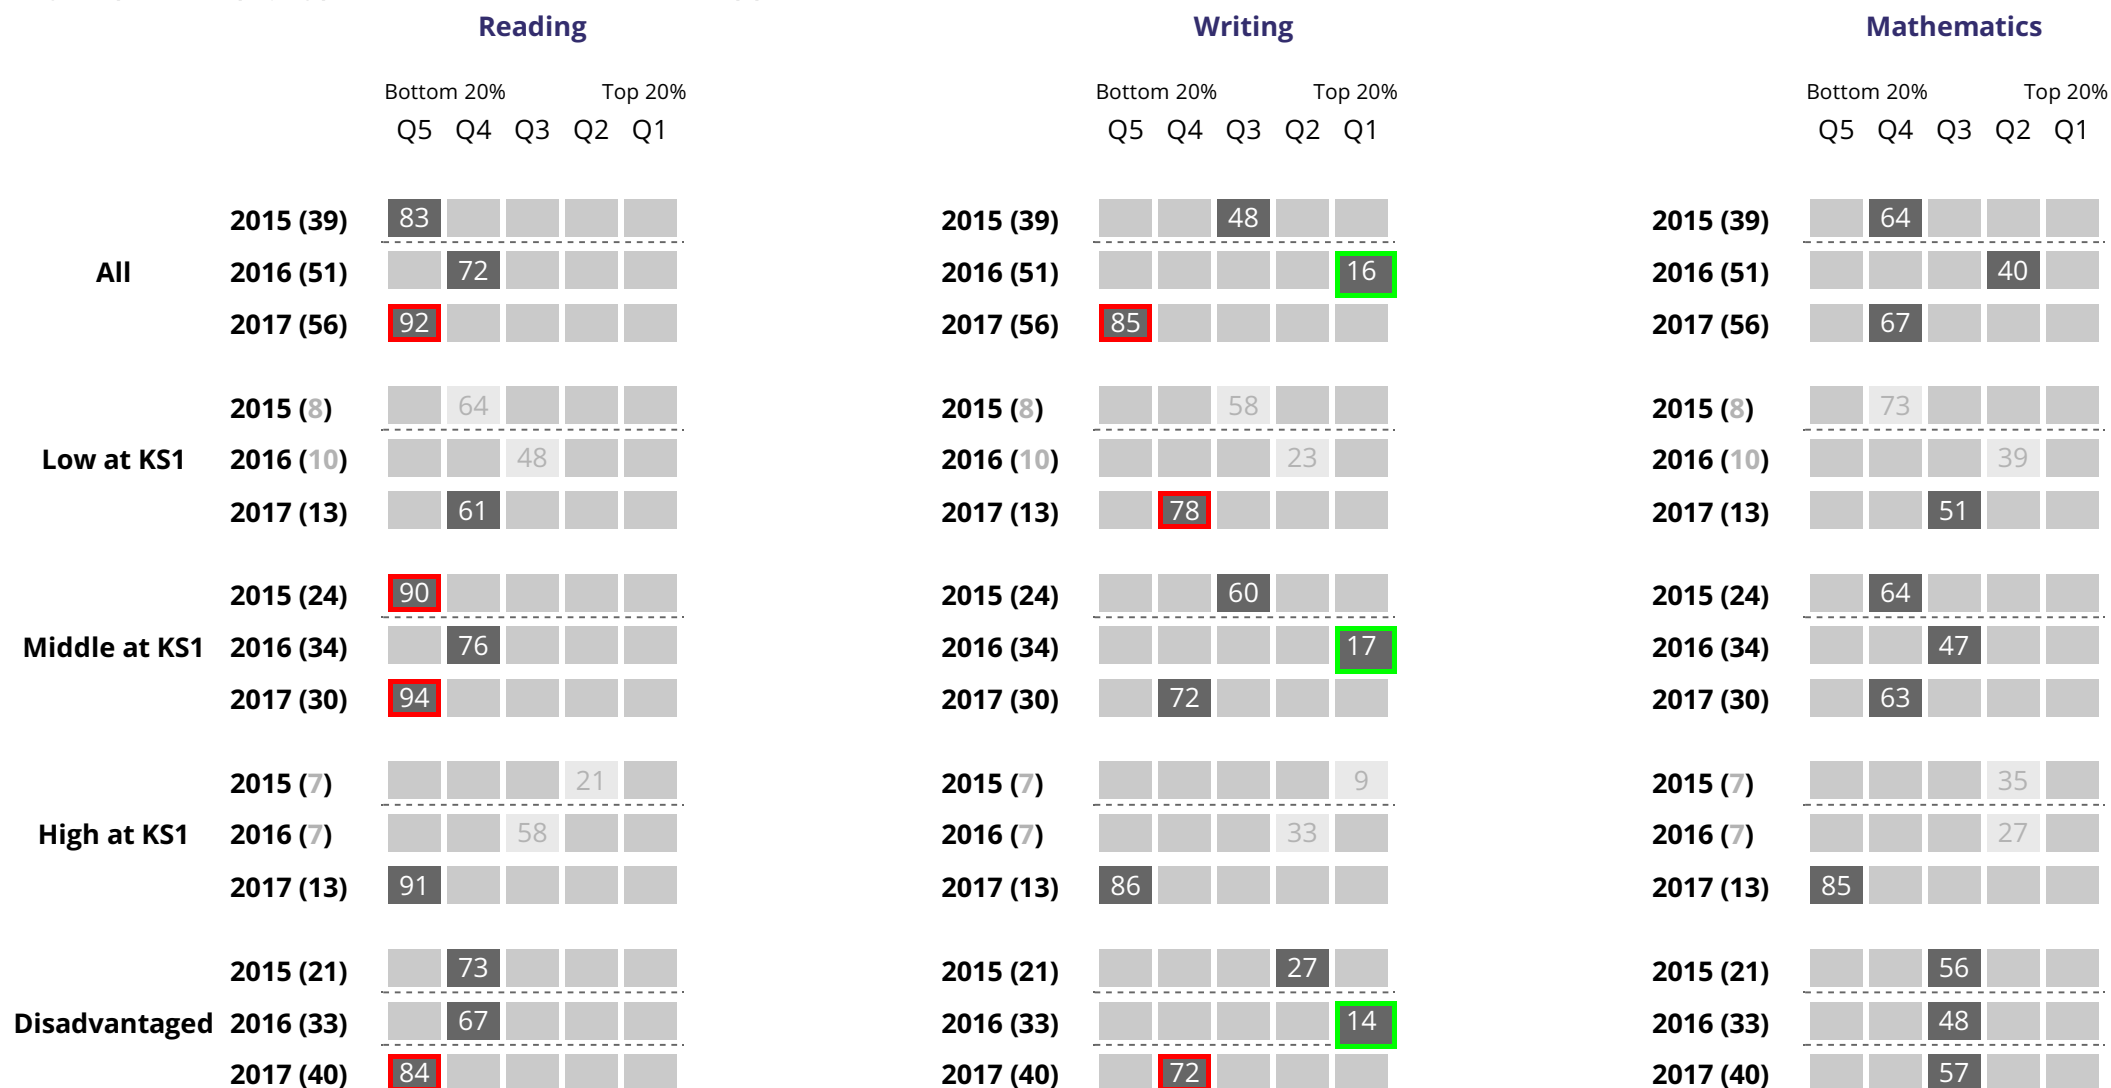

2016 (0) No permanent exclusions

2015 (0) No permanent exclusions

The national average number of pupils (Nat) permanently excluded shown in orange is based on phase of education.

Trends over time

Progress quintiles displaying percentile rank (1-100 where 1 is the top percentile)

Note: 2015 quintiles and percentiles are based on value added measures; 2016 and 2017 quintiles are based on progress measures. Rank for the disadvantaged section is based on all schools' disadvantaged pupil groups, except for 2016 where it is based on RAISEonline methodology, which measured the group against all pupils. For quintile boundaries, see guidance documents on <https://www.gov.uk/government/collections/using-ofsted-inspection-dashboard>. Statistical significance for disadvantaged pupils is against the national for other pupils.

() Cohort Significantly below national Significantly above national Change in methodology or calculations -----

Reading progress in 2017

--- Bottom 10% - - - Top 10% — Other national

Significantly below national and in bottom 10%

Significantly above national and in top 10%

Shading based on statistical significance and top/bottom 10% will not be shown for special schools.

Reading progress scatterplot

Top and bottom 10% values can be found in the percentile boundary spreadsheet alongside the guidance documents located here: <https://www.gov.uk/government/publications/using-ofsteds-inspection-dashboard-early-years-foundation-stage-profile-to-key-stage-4>. The values displayed above are rounded to one decimal place however all underlying calculations are based on unrounded data. Prior attainment is based on overall KS1 attainment.

Reading attainment in 2017

Reading attainment scatterplot

The values displayed above are rounded to one decimal place however all underlying calculations are based on unrounded data. The 'Diff no' value shows the number of pupils that the difference between school and national represents, and is always rounded down to a whole number. Prior attainment is based on overall KS1 attainment.

Writing (teacher assessment) progress in 2017

--- Bottom 10% - - - Top 10% — Other national

Significantly below national and in bottom 10%

Significantly above national and in top 10%

Shading based on statistical significance and top/bottom 10% will not be shown for special schools.

Writing data is based on teacher assessments. Users should be cautious when using this data.

Writing (teacher assessment) progress scatterplot
