

## Candidate Speeches 2018

### **Head Girl**

#### **Maya Litwin**

Good morning Hunslet Carr Primary School. My name is Maya Litwin and I am running for Head Girl. Here is why.

#### **Pupil Voice**

- Every student has a voice
- I want to make them heard
- If I become Head Girl I want there to be more opportunities to vote.

#### **Clubs**

- Have more interesting clubs.
- Every child would have a club that they enjoy such as gardening or baking.

## **Nay Ibrahim**

Hi, my name is Nay and I am 10 years old. I really want to be Head Girl because I am very fun. My wish is to make this school very fun and happy. If you vote for me you are lucky because I am positive and caring to others. You should vote for me because I am funny and hilarious. Do you want to hear a joke?

What do you call a dinosaur with no eyes? Do you think he saw us!

By the way I am never bossy! Whenever you are lonely come to me and I will play with you if you like. I will even make visitors and new students welcome to our fantastic school.

I want to make some things challenging but fun. A challenge is never too hard if you keep on trying and never give up! Impossible is nothing if you keep on trying.

Thank you for listening to my speech and I hope you vote for me.

**I WANT OUR SCHOOL TO BE EPIC!**

## **Leah Megan Sargent**

Hi everybody, my name is Leah Megan Sargent. I am in Year 5, Spruce class and I am 10 years old. In my spare time I enjoy doing majorettes and Acro gymnastics but I enjoy all sports. I am a kind and friendly person who will always ensure other people are happy and safe.

The reason why I would like to be Head Girl is because I want all the children and teachers to enjoy school. I want them to come to school with a smile on their face and motivated to teach and learn.

What I would like to change about the school:

- 1) I would like to introduce small lunch time clubs for those children who don't want to play out. The clubs could be things like drawing, arts and crafts or Lego and iPad to do TT Rockstars.
- 2) I would like to make children's learning fun and join in with some fun activities. I would like to change the class names as I feel the trees are outdated. The school could vote for what they would like instead.
- 3) I would like to change the homework too because I feel like we all need a change from maths and we could do more research on topic instead.

Thank you so much for listening to my speech and if you vote for me I will make the school bigger, better and stronger than it is now. I understand that this is a big opportunity for me. It would be an honour to be your Head Girl and it would mean the world to me.

Good luck to all of the other candidates. I guarantee I will make this the best year ever!

Thank you.

## **Sienna Henry**

Good morning everybody, I'm Sienna May Henry. I am ten years old and I am in Cedar class. I always try to be friendly and polite to people as I believe that you should treat people the same as you would like to be treated yourself.

I try my hardest to put 100% effort into everything that I do. I would love to be Head Girl because I would love to make my friends and family proud. If I get Head Girl I will try my best to make the school a better place than it already is. My favourite things to do when I am not in school are:

- Majorettes training and taking part in competitions
- Drawing
- Reading
- Swimming
- Playing with my friends
- Playing rugby with my dad and brother, Ellis
- Going to the cinema with my family and friends

My favourite subject is English and I have a pen pass. A pen pass is a little card which says your name, when you got it, and the person's name who gave it to you.

I want to improve play times and have a friendship-stop. This is just like a bus stop where instead of waiting for a bus you wait for a friend.

Thank you for your time. Please vote for me, you won't regret it.

# Head Boy

## Haruna Sonko

Hi, my name is Haruna and I am 10 nearly 11 years old. I love doing sports like football and you will usually find me on the pitch playing. I am a kind and funny person that will always make you laugh.

Now let me tell you why I would like to become Head Boy, just because it's a fancy title? No, it's because I would like to become part of the school and to give other a people a voice and make our school even happier.

What I would like to change about our school is that we have more clubs, more activities we can play outside and some more footballs provided. As well as other sports and more fun.

More homework will be given out for those pupils who want to get smarter but if you don't want any extra homework it's your choice. As a result of that, maths and English will be extra fun and learning easier.

The reason why I chose to be a candidate is because my mum was Head Girl and she inspired me to become Head Boy.

Please vote for me and I will be your helping hand to make this school a better place so good luck to all the other candidates. Thank you for giving me a voice and listening to my speech.

## **Jamie Crowther**

Hello my name is Jamie and I am 10, almost 11 years old. My hobbies are football and MMA, also known as Mixed Martial Arts. The reason I am going for Head Boy is because I want to make this school better than what it is today. The second reason is because I want to make my family proud of me. I am very talkative but I am also a good listener and I promise I will listen to all of your ideas to make this school a better place to come to everyday.

I would love it if you would vote for me and I promise to do everything first time, every time, on time.

Good luck to all of the other candidates. Thank you for listening.

## **Jack Levitt**

Hi, my name is Jack Levitt and I hope you are all having a nice day. First of all I am going to tell you a bit about myself. I am in Year 5, Cedar class and I am 10 years old. I enjoy playing lots of different sports like rugby, football, tennis and many more. I go to rugby training every Tuesdays and Thursdays and play in matches every Saturday morning for a team called Hunslet Warriors.

I really want to become Head Boy because on Takeover Day it looks really fun to become Mr Lumb. If I become the Head Boy I would try to make this school the best that I could. If you want to talk to me during playtime or lunchtime then I will either be playing on the football pitch or running around the playground.

Vote for me!
