Dear Parent/Carer

Our attendance at Hunslet Carr is improving every year, however, we still have several children arriving late at school each day. This has a substantial impact upon their education and affects the other children and staff when they arrive late and disturb lessons.

From Monday 10th March there will be a new procedure for children arriving late. All of the playground gates will automatically lock at 9.00am and any children arriving late must be accompanied into school by a parent.

Parents must then sign in using our computerised system and give a reason why their child is late.

We hope that parents and carers will support the school in continuing to improve the level of education we offer your children.

Here are the figures.

- *5 minutes late each day = 3 days lost a year!*
- *10 mins late each day = 6.5 days lost each school year!*
- *15 mins late each day = 10 days lost each year!*
- *20 mins late = 13 days lost each year!*
- *30 mins late = 19 days lost each year*
- *19 days lost in a school year = 1 whole grade down in your SATs across all subject!*

Kind Reagrds

Mr Martin Lumb
