

Binta Dampha

Good morning Hunslet Carr. I'm Binta Dampha, 10 years old and I want to become the next Head Girl. I am bouncy, giggly and also shouty; however, don't forget I'm also lovely. To be Head Girl is a dream.

I have loads of ideas, just listen to me then you will see. Firstly let's talk about teachers and staff. If you vote for me I will make sure I help Mr Lumb choose the best new members of staff in interviews. Secondly, I would like to speak about after school clubs and activities. Raise your hands up if the playtime box needs upgrading? Well vote for me then you'll see a whole box full of exciting goodies.

Moving on: clubs. For this I have loads of ideas because I love sport, especially athletics. My ideas for clubs are drama, ballet and singing. Now let's get on with the last paragraph.

Would you like a say about the school? Vote for me then you can speak and say your opinion about the school's effort. You could help and decide ideas for the school as well.

I hope you have enjoyed my speech and have learnt things about me so that your decision will be easier.

I also want to say good luck to the other candidates and thanks to my team, Mrs Earnshaw plus all the other teachers who chose me to be a candidate. If I'm Head Girl nothing will stand in our way because we're Hunslet Carr.

Thank you.

Chloe Minteh

Hello my name is Chloe Minteh and I am running for Head Girl because I love to help others!

To start the speech off I am going to share some lovely memories I have had at Hunslet Carr Primary School. When I started this school I was so scared but when I got here I made so many new friends and my journey to make more new friends has not ended yet! So if you are ever down or want someone to play with then just come to me at playtime.

Next I will tell you a little about me. Firstly I love athletics and my favourite part is running. I also love gymnastics and dancing. When I am at home I love to read lots of different books by different authors like David Walliams and Jaqueline Wilson.

Now I will tell you something I will try and do if I became Head Girl. I would try and put an idea box in every classroom so you can have a say in what happens here.

Finally I will read you a quote that I think you should hear:

“courage is what it takes to stand up and speak but courage is also what it takes to sit down and listen.”

Thank you and don't forget to vote for Chloe Minteh.

Wivine Mbalazau

Good morning everyone.

Welcome to my Head Girl speech. I am Wivine Mbalazau. I'm currently in the School Council but now I want to be Head Girl. Head Girl is a big responsibility as well as a key role which I want to take. If I become Head Girl I will try and make school more enjoyable by letting you have a say about your school.

I think this school is presentable, educational, caring, healthy and trusting but I think I can make this school better than it already is. Have you ever heard that saying that teachers say that your English work is never finished or can always be improved? I always got tired of hearing that but now I think about it our school is just like our English work and I think I can make this school amazing if you vote for me to be Head Girl.

In my opinion I think I am confident and brave enough to be Head Girl but I also want to be an approachable person so if you're feeling unhappy or frightened you can come to me even if I don't become Head Girl. Don't worry I don't bite! Also, I want to be Head Girl so I can help everyone especially the little ones because you/they have a longer amount of time in this school. If I become Head Girl I will also add more after school clubs so you guys can do more things.

Lastly I want to be Head Girl so I can make everyone feel welcome and safer and I want everyone to believe that Impossible is Nothing.

Gracie Boci

Hi my name is Gracie Boci and I am 10 years old and I think I would be a great Head Girl because of my attitude to learning and my great ideas to make this school more impressive than it already is. But the main reason why I want to be Head Girl is because on Takeover Day I was in Year 1 and I made children smile. This is partly why teachers come to school to see children smile because of them and knowing they changed someone's life. That is something I would like to feel every day, knowing that I made a difference.

I also have some interesting ideas for this school. Like we can use the allotment fruit and veg as our dinner salad. I would also like to introduce a reward system for staff so we can have classes against classes or year groups against year groups. Their challenge can be who can have the healthiest lunch and the winners can get a box of chocolates to share with the class. I have so many ideas such as more clubs like homework club again but this time for everyone, not only Year 6. Computer club, technology and design, cooking. We can have Glee club where everyone can just chill out, the possibilities are endless.

There's another thing I would like to with reading. A teacher or TA will send the two best readers to Mr Lumb and they will read to Mr Lumb or Miss Pashby for five minutes so they can see the progress the children are making.

So vote for me and be amazed by what you see.

Thank you!

William Levitt

Hi! I am sure you all know but if you don't my name is William Levitt. I'm going for Head Boy as I want to make our school a more improved place and prove to the school that I'm a kind and responsible person. I've wanted to be Head Boy since I saw Joe and Codie on Takeover Day. It was a fun experience getting taught by children.

If I was Head Boy I would make new clubs such as computer club, cooking club and listen to all of your suggestions. I want to be able to try and make all of your ideas and choices come true at Hunslet Carr.

I hope you are all enjoying your new playground equipment and the new, beautiful blue railings and gates painted by my awesome dad.

Now my speech ends here. If you want, you may come and talk to me in the playground. Thank you for listening. Please vote for me.

Impossible is Nothing!

Brandon Coates

Hi, my name is Brandon Coates and I am in Spruce Class. I am ten years old. My favourite things to do is play football with all my friends. I used to play for Middleton Football Club but I wanted to improve my football skills so I moved to a higher league football club which is Hunslet Boys football team. I also like movie nights with my family where we watch our favourite films and eat pizza.

I am sensible in everything I do and take pride in all of my work. I am a responsible person and take all my actions seriously.

I have lots of friends and also like to make new so if you are feeling lonely at playtimes or dinner times then come and find me. I will be on the football area and you can join in with us.

So now you all know a bit about me. These are the reasons why I want you all to vote for me to be Head Boy.

I will make the school a safer and happier place to be. I will also make you all feel welcome and make school and your learning enjoyable. At play times I will sure that equipment is changed on a daily basis to satisfy everybody's playtime.

I would also like to be the Head Boy so I can make sure everybody has a say in what they would like to happen in school. I would also like to put more after school clubs in place, such as dance club, cooking club, computer club and also a chill club where all year groups are welcome to make new friends.

I know it is hard for some people to try out new things but nothing is impossible so everybody should try their best and keep pushing themselves towards their goals.

I would like to wish all the other candidates the best of luck in their campaigns to be Head Boy and Girl.

Thank you for listening and please, please, please vote for me.

Daniel Myers

My name is Daniel Myers and I'm 9 years old. My hobby is football.

The reason why I want to take the responsible role for Head Boy is because I love making new friends and making everyone feel happy and welcome to this lovely, fantastic school. I also want our school to have a say in how they want to improve this fabulous school. If you want to ask me any questions I am free on the playground at all times.

I want to congratulate this whole school on how well we have done in our sports, especially athletics, football and gymnastics. The funniest part of the year was Mr Lumb's face when he was racing Mr Sharpe on Sports Day but Miss Dennison beat them both before they even started.

So more facts about me. My favourite rugby club is Leeds Rhinos and like the current Head Boy Joe my best football clubs are England and Chelsea. My favourite food is pizza.

Back to Sports Day. I think it is my favourite day of the year because everyone is happy and smiling.

I have loads of ideas about new clubs but I want to know what you want so I can Mr Sharpe if it's possible.

Remember it's not your friends' vote it's your vote so vote for who you think.

Please vote for me.

Thank you.

Mason Smith

Hello my name is Mason and I am 10 years old.

I want to be Head Boy because I want to welcome everybody who is new to the school and I want to help everybody and respect people.

My favourite sport is football and I like gaming. If you pick me to be Head Boy I will continue to make this school a better environment.

I remember in Sports Day when I got the baton and slipped as soon as I started running in the relay race but I got back up and proved impossible is nothing. But especially the staff race was the funniest out of all the races when Mr Lumb and Mr Sharpe were racing each other.

I will add new clubs and on Sports Day more activities if I can.

Please vote for me to be Head Boy.

Thank you.
