Hunslet Carr Primary is a dynamic and successful inner city primary school (NOR 460) that serves the community of Hunslet in South Leeds. We are located within easy access from the A1 and M1 motorways and within commutable distance from Leeds, Wakefield, Bradford, Barnsley and York.

Over the last 3 years our SATs results have highlighted the exceptional progress all of our children make at school from when they join us in Nursery and represent the hard work and dedication of everyone at school to cater for their differing needs. The challenge ahead is to maintain and continue this progress.

Following recent promotions for two of our Teaching Assistants and two children starting Nursery, the school is looking to appoint a teaching assistant to support 5 children, Two in Nursery with Speech and Language difficulties and Autism, two in Year 4 with speech and language difficulties and one in Year 2 with a diagnosis of Autism.

We are looking for enthusiastic, warm and caring individuals, who are able to develop a supportive relationship with children and their families for the purpose of improving educational outcomes, self-esteem, resilience and aspiration. Their work in whichever classroom would include small group work, working with the specific children on their targets and supporting the class teacher with general classroom routines.

In return we can offer:

- A chance to work with fantastic, enthusiastic children who want the best start.
- The opportunity to become part of a school community where children are at the heart of all we do.
- A supportive and experienced pastoral Inclusion Team.
- A school that values your training and personal development.
- A competitive salary, term-time working + 3 training days and policies that ensure you continue to have a work-life balance.
